

PURPOSE: TO PROVIDE INFORMATION TO BRENAU EMPLOYEES ON HOW TO CREATE/APPROVE AN ELECTRONIC PURCHASE ORDER.

---

Effective September 5, 2006 all purchase orders will be entered and approved electronically. Below you will find the procedures for entering and approving requisitions in order to obtain a purchase order number. Detailed information on the required use of a purchase order, necessary signatures, etc. can be found in policy FS-ACT-200-11 located on the Brenau Policies site on the Intranet.

1. All purchases over \$50.00 require a purchase order number unless prior approval is given by the Senior VP for Administration/CFO.
2. If there is a purchase order number on an invoice, the Accounting Office will make payment when received. It is the responsibility of the department to notify the Accounting Office of any items not received or damaged. Otherwise, full payment will be made.
3. Any questions regarding requisition entry or approval should be directed to the Controller.
4. Any questions regarding specific purchase orders or invoices should be directed to Accounts Payable Office.
